MEMORANDUM FOR: Director of National Reconnaissance
Office

SUBJECT : Project TAGBOARD

REFERENCE : Memorandum for DD/NRO, D/NRO Staff,
and D/Program D, dated 4 June 1963,
from D/NRO [REDACTED]-5125-63)

25X1A

Since TAGBOARD is a major policy matter and involves equipment for covert overflight operations for which, in the past, responsibility has been assigned to CIA, I believe that prior to any implementation of the above referenced-directive, a policy decision should be obtained from Sec/Def and DCI. I am proposing to take this up with the DCI and suggest that it might be desirable for you to state in a memorandum to him the reasons for making this change in responsibility.
